

CAFF Working Group final deliverables/reports

CAFFs Documents:

1. CAFF Work Plan (Final) 2009-2011
2. CAFF Progress Report (Final) 2007-2009

CAFF Technical Report Series:

3. CAFF Technical Report No.15 --- Proceedings of the 4th CAFF Flora Group Workshop
4. CAFF Technical Report No.16 --- Seabird harvest in the Arctic
5. CAFF Technical Report No.17 --- Bering Sea Sub-Network Annual Report 2008
6. CAFF Technical Report No.18 --- International Ivory Gull conservation strategy and action plan
7. CAFF Technical Report No.19 --- ECORA : An Integrated Ecosystem Management Approach to Conserve Biodiversity and to minimizing habitat fragmentation in the Russian Arctic

CAFF CBMP Report Series:

8. CAFF CBMP Report No.12 --- A Strategy for Developing Indices and Indicators to Track Status and Trends in Arctic Biodiversity
9. CAFF CBMP Report No.13 --- A Strategy for Facilitating and Promoting Community-Based Monitoring Approaches in Arctic Biodiversity Monitoring
10. CAFF CBMP Report No.14 --- Developing an Integrated and Sustained Arctic Biodiversity Monitoring Network: The CBMPs Five Year Implementation Plan
11. CAFF CBMP Report No.15 --- Framework for a Circumpolar Arctic Seabird Monitoring Network
12. CAFF CBMP Report No.16 --- Arctic Marine Mammal Monitoring Plan

Reports:

13. CAFF Report --- The Arctic Biodiversity Assessment - Work plan & Financial Strategy
14. CAFF Report --- Progress report on CAFF and AMAP Coordinated Monitoring
15. CAFF Report --- Green Paper on AMAP-CAFF Coordinated Monitoring Effort
16. CAFF Report --- The Arctic Council - Approach to Spatial Data
17. CAFF Report --- Information paper to the Senior Arctic Officials (CAFF-AMAP-EPPR
18. CAFF CBIRD --- Global Change Biology - Fluctuations in circumpolar seabird populations linked to climate oscillations
19. CAFF CBMP Report --- CBMP Partnership Workshop
20. CAFF CBMP Report --- Developing Integrated and Sustained Arctic Terrestrial and Freshwater Biodiversity Monitoring Networks
